# Blackout Begins

*Mako's House (Night)...*

Ryuko: (eating croquettes) These are the best!

Sukuyo: I know you'll like this. This is my new recipe.

Mako: It's so good!

Mataro: Yeah! More, please!

Sukuyo: Of course. Here.

Mako: Yippee!

Mataro: More croquettes!

Together: (eating)

Barazo: (laughing) This is great!

Suddenly...

Everyone: Huh?!

Mako: Hey, who turns out the lights?!

Barazo: Uh-oh...

Mataro: What's wrong, dad?

Barazo: Look outside!

Everyone: Huh?!

Mako: Oh no! We're having a blackout!

Mataro: I hate when we have a blackout!

Ryuko: Why?

Mako: Because at night, it gets very cold! So, when a blackout happens, there's no power to heat up the whole city!

Ryuko: That's why?

Mako: Yes! I can't freeze while we're sleeping! It's impossible!

Ryuko: Calm down. We'll find a way to get some power again.

Mataro: Promise?

Ryuko: Promise.

Mako: Okay! Let's do this!

Everyone: Right!

# Mako's Quest for Power

*Outside...*

Mako: All right, everyone! We'll find the power source so everything will be back to normal!

Mataro: Right!

Barazo: But, who should we ask for help?

Mako: Hm... Oof!

Ira: Are you okay, Mako?

Ira helps Mako get up to her feet.

Mako: Oh, Ira! What are you doing here?!

Nonon: Just strolling around.

Ryuko: Nonon?! Is this some kind of prank?!

Houka: No. We're telling the whole truth.

Nonon: Yeah! You shouldn't accused someone, wolf!

Ryuko: Wolf?!

Nonon: That's a new nickname I made for you. The reason is wolves are super aggressive and since you're feisty, it makes sense to call you the wolf.

Ryuko: I hate that one.

Nonon: Poor you.

Houka: Anyway, why are you doing here?

Mako: Well, we're looking for someone who has some power left.

Ira: That wouldn't be possible!

Barazo: Why not?!

Nonon: Because the whole city has no power, including us!

Sukuyo: Huge disappointing.

Mataro: Yeah! Now what?!

Mako: We can't be freezing to death! Is there something we could do?!

Uzu: I got one. Follow me.

*Outside of Uzu's House...*

Everyone: Eh?! Your house?!

Uzu's house looks very simple with light green painting and bamboo covering it.

Uzu: Yeah. You could stay here until this blackout is over.

Mako: Okay! Let's go inside!

Mataro: Right!

Nonon: I personally never went to your little jungle, monkey.

Houka: It doesn't look all extraordinary than our houses.

Ira: Why is that?!

Uzu: Because I'm into fancy crap. I just like things plain and simple. That's how I roll. (opens door)

Mako: Wow~!

Mataro: This is amazing!

Inside, Uzu's house has a living room, bathroom, kitchen, and two bedrooms. The living room was a dark green couch, a TV, the walls were lemon-lime, and full of shinais!

Sukuyo: Your house is so simple.

Uzu: Thanks. I never care for the fancy things in life even though I'm a Three-Star. I just like things plain and simple. That's all.

Ryuko: (sits down at the couch) Oh my god. This is the most comfortable couch I have ever sitting at! (lies down)

Mako: (sits down at the couch) Wow! It IS comfortable!

Mataro: (sits down at the couch) Yeah!

Ryuko: I think I need this so badly!

Nonon: Don't get too comfortable, wolf! We'll be staying here until this blackout is over!

Ryuko: I know, I know! But, I'm not getting up from this couch as long as I live! It's that comfortable! I think I could get an uninterrupted nap from this!

Nonon: Jeez...
